RAILWORKS CORPORATION APPOINTS LEADER OF ONTARIO OPERATIONS

John Brohm Named Executive Vice President

New York, N.Y. – (March 1, 2017) – RailWorks Corporation, a leading provider of track and transit systems construction and maintenance services throughout North America, announced today that John Brohm has been named executive vice president with responsibility for the Ontario operations of PNR RailWorks Inc., its Canadian subsidiary.

Brohm will lead PNR RailWorks' track, signals & communications and major projects operations throughout the province Ontario in Eastern Canada. His appointment comes at a time of record-setting investment in rail transit infrastructure across Ontario.

Brohm brings to PNR RailWorks more than 30 years of experience leading enterprises in the transit and rail industry. He previously served as president & CEO of Thales Transport & Security, based in Pittsburgh, PA, and held prior leadership positions with Alcatel Transport Automation (U.S.), Inc.

“John is a native of Ontario and is thrilled to working in the area he calls home,” said RailWorks Corporation President & CEO Kevin Riddett. “He has invaluable experience and expertise that directly apply to emerging market opportunities in Ontario. John and his team will focus on meeting the needs of PNR RailWorks’ growing customer base while also seeking to participate in the unprecedented transit expansion throughout Ontario.”

About RailWorks Corporation- Founded in 1998, RailWorks provides track and transit systems construction and maintenance services throughout the United States and Canada. With annual revenue of more than \$600 million, RailWorks is a leading provider of integrated construction services for major transit authorities, Class I and short line railroads as well as commercial and industrial companies with rail infrastructure. RailWorks is a privately held company. For more information, see www.railworks.com.
